Sub D. Q. PMR 5-9-16. The pay of the Chairman Mysore Trust Board was originally fixed at Rs 500 + a L.A. of Rs 100 each Mr Lakshmanan Rau who was then getting a pay of Rs 400 in the P W D was appointed to the pay of the appointment was fixed at the figure 500 + 100 taking into account the nature of the Duties involved and though it happened that by being appointed thereto Mr Lakshmanan Rau got an increase of Rs 100 in his pay, it is not his correct assumption that Govt intended always to give him Rs 100 more than his pay in the P.W.D is not Correct Such an assumption is further not reasonable because the pay of the appointment should be regarded as fixed with reference to the nature of the Duties involved & not as fluctuating with the pay in the P.W.D of the particular incumbent of the nature of the Duties so that the Officer should have of the intention of Govt had been that he should always get Rs 100 more than Rs 500 in the P W D Govt would have passed orders accordingly and not attached a pay of Rs 500 to the post

It is thus seen that all the arguments of Mr Lakshmanan based on this misapprehension are not valid. So long as Mr Lakshman Rau does not get as President less than what he got as WO he has no grounds for complaint

10 Regarding the period from 1.7.15 to 1.11.15 Mr Lakshman Rau has drawn 500 Rs + 1a of 100 Rs upto 19.8.15 and thereafter 500 Rs + 1a of 200 Rs He says that if he had been in the P WD he would have got Rs 550 from 1.7.15 under the new time scale, and that he has therefore to lose Rs 50 under the operation of the order Against this it is however to be said that though he will lose 50 Rs in his pay proper, in the total emoluments he will not be a loser as against 550 in the P WD he was getting 600 & 700 as Chairman - He does not therefore stand in need of any relief it would be enough if it is declared that during the

11) There is much force in Hon'ble Mr's remarks, but if Govt do not want to declare that his local allce would be regarded as reduced by Rs 50/- from 1-7-15 to 1-11-15 he may be given pay at Rs 550 - his grade pay in the P W time scale from 1-7-15 to 1-11-15 he has drawn at Rs 500/- & he wants to draw at Rs 600/- & the course suggested above will be a mean between the two

S i r,

With reference to correspondence ending with your letter No.840/Ml.46-16-2 dated the 27th July 1916, informing that the date "1st November 1915" was adopted deliberately in Government Order No. 4417-21/Ml.95-14-59 dated the 27th December 1915, I have the honour to submit the following facts for the informatio of Government -

1. While I was drawing a pay of Rs 400/- in the Public Works Department, I was appointed President-Chairman of Mysore City Municipal Council and the Trust Board, under Government Order No.7035-8/Ml.295-12-1 dated the 4th March 1913 For performing the duties of this combined appointment I was allowed a pay of Rs 500/- per mensem or Rs.100/- more than what I was drawing in the State Public Works Department.

2. My pay having been increased in the Public Works Department by Rs.50/- with effect from 1st November 1914 under paras 4 and 5 of Government Order No.254-65/1652-63 dated the 30th March 1922 as intimated in Chief Engineer's No.816/4071 dated the 30th April 1915, made

an application to Government in letter No.157 dated the 17th May 1915 that a corresponding increase may be given to my pay as President-Chairman. Upon this application, the Government have been pleased to direct in their Order No.4417-21/Ml 95-14-59 dated the 17th December 1915 that I may be permitted to draw a pay of Rs.50/- more than my pay in the State Public Works Department at any given time with effect from 1st November 1915.

3 The above Government Order does not explicitly state what the difference of my pay here should be as compared with that in the Public Works Department from 1st November 1914 to 31st October 1915. If it has to be ~~continued~~ construed that my pay during this period as President-Chairman is Rs.500/- only per mensem, it would deprive me by one half the benefit of the iginal orders of Government Order No.7035-8/Ml.295-12-1 dated the 4th March 1915 which allowed me a pay of Rs.100/- more than my pay in the State Public Works Department.

4. If the same interpretation be extended in my case to the subsequent period Viz., from July 1915 to 31st October 1915, the effect of such interpretation would be to allow me to draw a pay of only Rs.500/- as President-Chairman during the period, while under the time scale sanctioned in Government Order No.1181-87/P W.5775-81 dated the 16th June 1916 my pay in the Public Works Department was Rs.550/- In other words, my pay as President-Chairman from 1st July 1915 to 31st October 1915 would be Rs. 50/- less than my pay as Executive Engineer in the Public Works Department.

5. The question of continuing my pay as President-Chairman at the increased rate of Rs.1000/ per month was started in connection with my increment of Rs.50/- from 1st November 1914. As such any order settling this question should, I beg to submit, apply from the said date and not with a prospective date. The subjoined table shows what effect the Government Order No.4417-21/Rd. 95-14-59 dated the 17th December 1915 as it stands at present, will have with reference to my pay as President-Chariamn as compared with my pay if in the Public Works Department.

Period.	Pay as Executive Engineer in the P.W.Department.	Pay as President-Chairman.	Increase
From 4th March 1913 to 30th October 1914.	Rs. 400	Rs.500+100-	+ Rs.100
From 1st November 1914 to 30th June 1915	450	500 +100-	+ 50
From 1st July 1915 to 31st October 1915	550	500 +100-	-50 +50
From 1st November 1915	550	600 +100	+ 50

II I am sure that the intention of the Government is to permit me to draw always more pay in my present appointment of President-Chairman than in the Public Works Department at any time, in consideration of the responsibility and arduousness of my combined appointment in the capital city of the State and of the fact that my predecessor was being allowed a pay of Rs.1,000/- per measem for the office of the Chairman of the Board of Trustees alone and the work that is now being done is more as shown in my report No.2483-15-1/No 150 dated the 16th May 1916 paras 23, 35 and 36. I beg that in those circumstances, the Government may be pleased to reconsider my case and pass revised orders so that I may pay as President-Chairm

may at any time be at least Rs.50/- more than my pay in the State Public Works Department, in addition to the allowance sanctioned for the appointment, and that I may be permitted to draw pay as President-Chairman at Rs.550 + 50 or Rs.600/- per month from 1st July 1925.

I have the honour to be,
